Grand Opening Celebration!

Join us to celebrate the grand opening of L&M's new production facility at the North Pole.

Operated under agreement with S. Claus Enterprises, the North Pole facility will handle custom radiator builds. The elf workers, with their fabrication skillset, attention to detail, and cheerful dedication to customer service, are a perfect fit with the rest of the L&M workforce.

Please join us for a ribbon-cutting ceremony, followed by remarks and plant tours. Cocoa and gingerbread cookies will be served.
